## **DIGITAL MEDIA SUMMER ASSIGNMENT**

**TO:** Incoming 12th grade digital media students

**DUE:** September 5, 2018

**ASSIGNMENT:** Create a video (1-3 seconds) everyday of your summer vacation. The content of your video can vary and does not have to be sequential. Be sure to keep the content school appropriate. This assignment will be the basis of your first assignment in your 12th grade digital media class. The instructor will check the metadata on your submission files to make sure the videos are done everyday and not just in one day.

**SUBMISSION FORMAT:** Save the videos on your phone or upload to Google Drive. Be ready to show the instructor.

### **GRADING CRITERIA**

#### **Subject and Content**

- Is interesting/educational/entertaining
- Is relevant to audience
- Provides insight into topic
- Student(s) behave professionally on camera
- Student(s) demonstrate thoughtful approach to assignment

**Score:** \_\_\_\_\_ **out of 50**

#### **Technical Aspects**

- Camera is stable, smooth movements and pans
- Subject is framed well, videos are well composed
- Subject is lit and clearly visible
- Sound is clear and understandable
- Assignment was completed in a timely manner

**Score:** \_\_\_\_\_ **out of 50**
