March 2018

Dear Parents or Guardians,

Our goal at Thomas Edison High School is to create an environment where students value and understand the importance of Physical Education, health and exercise. In order to accomplish this goal we are asking for your understanding.

Due to the ongoing construction at the adjacent Joe Austin Park located next to our building, we will be having some of our Physical Education classes take place on the Jamaica High School Campus Field which is located directly across from the Thomas Edison High School front door. Any classes that will be going will be appropriately supervised and a School Safety Agent will be present.

We would like to thank you in advance for all of your understanding in making your child's Physical Education experience an enjoyable one. If you have any questions or concerns, please do not hesitate to contact Mr. Mark D'Elia, Assistant Principal of Health & Physical Education at 718-297-6580 Ext.1547 or at mdelia@schools.nyc.gov.

Sincerely,

A handwritten signature in black ink that reads 'M. Ojeda'. The signature is written in a cursive style with a long, sweeping underline.
