

Mr. Moses Ojeda
Principal

Mr. E. Collado
CTE Coordinator

Barry Roopnarine
Auto Body Instructor

Incoming 10th Grade Students:

Part 1:

Using your TAEHS.ORG email, send an email to AutobodyG4@gmail.com introducing yourself in details- answer the following questions to get started.

Why did you select this class?

What are you looking to get out of this class?

What collision repair knowledge do you have?

Tell me about yourself and your goals.

You will receive your lessons via email which **MUST** be printed (black and white) and in a dedicated collision repair binder.

Part II: 50 Points

Create a presentation of the following tools- explain what each tool is used for, explanation of each tool must be detailed and give examples of how and where it is used:

- 1) 1/4 " ratchet
- 2) 3/8" ratchet
- 3) 1/2" Ratchet
- 4) 1/4" Extension
- 5) 3/8" extension

- 6) 1/2" extension
- 7) 3/8 Torque wrench
- 8) Phillips screwdriver
- 9) Flathead screwdriver
- 10) Needle nose pliers
- 11) Slip joint pliers
- 12) Vice grips- list 5 different types
- 13) Open end wrench
- 14) Box end wrench
- 15) Combination wrench
- 16) Flare wrench
